

CNHC Workshop at the IPM Congress - Setting standards: The regulation of complementary healthcare in the UK

Date: Thursday 29 June 2023

Time: 15.00 to 15.30

Venue: Moore Room, QEII Conference Centre, Westminster, London

Join us at our workshop at the [Integrative and Personalised Medicine Congress 2023](#).

Are you a complementary therapist who wants to demonstrate to your clients that you practise safely and are willing to hold yourself accountable, or a mainstream healthcare provider whose patients would benefit from receiving complementary therapies? This workshop will give you an insight into how CNHC Registrants work alongside mainstream medicine to provide a holistic approach to improve the health and wellbeing of the nation, reducing the pressure on GPs.

Introducing Kinesiology to patients and staff at a GPs Practice

CNHC Registrant Marcia Fletcher has been practising Kinesiology for over 15 years in London, Devon and Central America as well as teaching Foundation Kinesiology as a certified Touch For Health (TFH) instructor. Marcia is a member of the Kinesiology Federation, one of CNHC's Verifying Organisation and she is also a member of CNHC's Profession Specific Board (PSB) for Kinesiology.

In our latest blog post, Marcia talks about her experiences last year of setting up free kinesiology sessions for patients at her local GP surgery.
