### **Verifying PAs for non-members**

Professional Association (PA) membership, with an approved verifying PA, is encouraged in addition to CNHC registration. Such membership will be to the advantage of the practitioner in their initial CNHC application, since there are discount arrangements for such applicants.

If you do not wish to join a PA or your PA is not approved for verification purposes, there are several PAs listed below who have agreed to facilitate the verification process for non members:
