

Meeting with Professional Associations 28 April 2009

CNHC's Co-Chairs Maggie Dunn and Maggy Wallace were pleased to welcome approximately 60 Professional Association (PA) representatives at its bi-annual meeting for PAs on 28 April.

Mike O'Farrell

The programme for the meeting included an update on CNHC's operations, questions and contributions from participants, a presentation by CNHC's PR company and a presentation by Mike O'Farrell (one of CNH's Board members and the Chief Executive of the British Acupuncture Council) on 'Regulation – a wider perspective'.

The question and answer session included questions about CNHC's fees schedule, the level of indemnity insurance required for registration, security of data held on the register, licensing arrangements, continuing professional development (CPD) requirements and registration of overseas members.

The next PAs meeting will be held on 18 November and will be more of a workshop and networking type of event. Invitations will be sent to all those on our contact list. Please contact info@cnhc.org.uk if you wish to be added to the contact list.
