

Registration with the CNHC for Bowen Therapists

In order to be eligible to apply for registration with CNHC practitioners must have

- undertaken a programme of training that meets, as a minimum, the Bowen Therapy National Occupational Standards and the Bowen Therapy Core Curriculum. The minimum level of qualification required is equivalent to 3 (England and Wales); 5 (Northern Ireland); 6 (Scotland) on the [UK Qualification Comparison Chart](#)

OR

- have achieved competence to the level of the Bowen Therapy National Occupational Standards by means of relevant experience of at least three years and been assessed as having met those Standards.

The following courses meet the National Occupational Standards and the Bowen Therapy Core Curriculum. (Please note both courses are available in various locations).

See [Apply to Register – A Step by Step Guide](#) for further information on applying to register with CNHC.

NOTE: Any organisation that wishes a course to be added to those listed above is invited to submit to CNHC detailed documentation that demonstrates how the course delivers all the outcomes of the National Occupational Standards (NOS) and the requirements of the Core Curriculum. The documentation will be copied to the Bowen Therapy Profession Specific Board (PSB) so that the PSB can advise the CNHC whether the list should be updated.
